

****PLEASE NOTE****

HEA 1086-2010 changed the deadlines for adopting a local income tax rate or changing an existing local income tax rate under I.C. 6-3.5-1.1, I.C. 6-3.5-6, or I.C. 6-3.5-7. Rates may be changed anytime before November 1, 2011 to take effect in 2011. As a result of these changes, counties have not yet certified to the Indiana Department of Revenue the local income tax rates they will impose after September 30, 2011.

In order to assist local units in preparing their budgets for 2012, the State Budget Agency has prepared the distribution amounts presented here. These amounts are based on the best information regarding local income tax rates available to the State Budget Agency at this time. Unless otherwise noted, the amounts presented were derived using the tax rates in effect on January 1, 2011. In those cases where tax rates have not and will not change, the amounts presented here will equal the certified distribution amounts for 2012. Rate changes that have not yet been communicated to the State Budget Agency will alter the amounts presented here once such communication has been received.

Local officials can assist the State Budget Agency in finalizing the 2012 certified distribution amounts by verifying the accuracy of the rate information presented here and notifying the State Budget Agency of any rate changes that will take effect or are anticipated to take effect this year.

Communications with the State Budget Agency regarding local income taxes should be directed to Bob Lain at (317) 232-3471 or blain@sba.in.gov.
